## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
The Water Trust, Inc.

We have audited the accompanying consolidating financial statements of The Water Trust, Inc. (a nonprofit organization), which comprise the consolidating statement of financial position as of March 31, 2015, and the related consolidating statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidating financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidating financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these consolidating financial statements based on our audit. We did not audit the financial statements of The Water Trust Limited, a foreign subsidiary, which statements reflect total assets of \$188,303, as of March 31, 2015, and total support and revenue of \$429,911, for the year then ended. Those statements were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for The Water Trust Limited, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidating financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidating financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidating financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidating financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidating financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, based on our audit and the report of the other auditors, the consolidating financial statements referred to above present fairly, in all material respects, the financial position of The Water Trust, Inc. as of March 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Prior Period Financial Statements**

The March 31, 2014 financial statements were reviewed by us, and our report thereon, dated April 20, 2015, stated we were not aware of any material modifications that should be made to those consolidating financial statements for them to be in conformity with accounting principles generally accepted in the United States of America. However, a review is substantially less in scope than an audit and does not provide a basis for the expression of an opinion on the consolidating financial statements.

**THE WATER TRUST, INC.****NOTES TO CONSOLIDATING FINANCIAL STATEMENTS****MARCH 31, 2015 (Audited) AND 2014 (Unaudited)****Note 1 - Organization and Summary of Significant Accounting Policies****a - Organization**

The Water Trust, Inc. was incorporated as a not-for-profit corporation in Connecticut on June 18, 2007. The Water Trust Limited was incorporated in The Republic of Uganda in 2012 as a non-governmental organization to conduct program activities in Africa. The mission of The Water Trust, Inc. and The Water Trust Limited (together the "Organization") is to develop and implement sustainable access to clean water, improved sanitation, and proper hygiene knowledge in partnership with the rural poor in Africa.

**b - Principles of Consolidation**

The accompanying consolidating financial statements include the accounts of The Water Trust, Inc. and The Water Trust Limited, which are under common control through an overlapping board of directors. All significant intercompany transactions have been eliminated.

**c - Contributions and Unconditional Promises to Give**

Contributions are recognized when the donor makes a promise to give to the Organization, that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

**d - Property and Equipment**

Property and equipment are recorded at cost. Depreciation is provided on a straight-line basis over the estimated useful lives of the related assets.

**e - Financial Statement Presentation**

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

**f - Estimates**

The preparation of consolidating financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**g - Functional Allocation of Expenses**

The cost of providing the various program and supporting services has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting services in reasonable ratios determined by management.
