REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS ON THE COMBINED FINANCIAL STATEMENTS

To the Board of Directors
The Water Trust, Inc.

Opinion

We have audited the combined statements of financial position of The Water Trust, Inc. and its affiliate (The Water Trust Limited) (together, TWT) as of March 31, 2023 and 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, based on our audits and the report of the other auditors, the accompanying combined financial statements present fairly, in all material respects, the financial position of TWT as of March 31, 2023 and 2022, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of The Water Trust Limited (The Limited), a foreign affiliate, whose statements reflect total assets constituting 16% and 44% of combined total assets as of March 31, 2023 and 2022 respectively, and The Limited represents 4% of combined total revenues for the years then ended. Those statements were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for The Water Trust Limited, is based solely on the report of the other auditors. Those statements, which were prepared in accordance with the International Financial Reporting Standard for Small and Medium Sized Entities, issued by the International Accounting Standards Board, were audited by other auditors in accordance with International Standards on Auditing, whose report has been furnished to us.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of TWT, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TWT, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available for issuance.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TWT's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

SB & COMPANY, LLC
KNOWLEDGE • QUALITY • CLIENT SERVICE

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TWT's ability to continue as a going concern one year after the issuance date or available for issuance.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal controls-related matters that we identified during the audit.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the TWT's combined financial statements. The supplemental combining statements of financial position and activities and changes in net assets (the Schedules) are presented for purposes of additional analysis and are not a required part of the combined financial statements. The Schedules are the responsibility of management and were derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. Such information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedules are fairly stated, in all material respects, in relation to the combined financial statements as a whole.

THE WATER TRUST, INC.

Combined Statements of Cash Flows March 31, 2023 and 2022

1. BACKGROUND OF THE ORGANIZATION

The Water Trust, Inc. was incorporated as a not-for-profit corporation in Connecticut on June 8, 2007. The Water Trust Limited was incorporated in the Republic of Uganda in 2012 as a non-governmental organization to conduct program activities in Africa. The mission of The Water Trust, Inc. and The Water Trust Limited (collectively, TWT) is to develop and implement sustainable access to clean water, improved sanitation, and proper hygiene knowledge in partnership with the rural poor in Africa.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying combined financial statements of TWT as of and for the years ended March 31, 2023 and 2022, are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Principles of Combination

The accompanying combined financial statements include the account balances and transactions of The Water Trust, Inc. and The Water Trust Limited (collectively, TWT). These organizations have been combined due to the presence of common control and economic interest as required under accounting principles generally accepted in the United States of America. All significant intercompany accounts and transactions have been eliminated.

Use of Estimates

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures of contingent assets and liabilities as of the date of the combined financial statements and the reported amounts of revenue, support, and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Fair Value of Financial Instruments

Financial instruments consist of receivables and payables. The carrying value of TWT's financial instruments in the accompanying combined statements of financial position approximated their respective estimated fair values as of March 31, 2023 and 2022. Fair values are estimated based on current market rates, prices, or liquidation value.

THE WATER TRUST, INC.

Combined Statements of Cash Flows March 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and Cash Equivalents

Cash and cash equivalents include amounts in short-term investments with original maturities of 90 days or less. Cash equivalents as of March 31, 2023 and 2022, consisted of money market funds.

Grants Receivable

Grants receivable represent contributions and grants from foundations and individuals that have not been collected as of year-end and are reported at their net realizable value. Management assesses the collectability of receivables based on prior years' experience and its analysis of specific receivables. Management believes that receivables as of March 31, 2023 and 2022, were fully collectible, and thus no allowance for doubtful accounts was recorded.

Inventory

Inventories are stated at a lower of cost and net realizable value, using the first in first out (FIFO) method. At each reporting date, inventory is assessed for impairment. If inventory is impaired, the carrying amount is reduced to its net realizable value. The impairment loss is recognized in the statement of changes in net assets.

Furniture and Equipment

Furniture and equipment are recorded at cost and depreciated over the estimated useful lives of the assets, ranging from 3-5 years, using the straight-line method. Gifts of long-lived assets are recorded at their fair value when donated. Expenditures for major repairs and improvements are capitalized, and expenditures for minor repairs and maintenance are expensed as incurred.

Net Assets

Net assets without donor restrictions are assets and contributions that are not restricted by donors or for which restrictions have expired.

Net assets with donor restrictions are those whose use by TWT has been limited by donors primarily for a specific time period or purpose. When a donor restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions. If a donor restriction is met in the same reporting period in which the contribution is received, the contribution (to the extent that the restrictions have been met) is reported as net assets without donor restrictions.

THE WATER TRUST, INC.

Combined Statements of Cash Flows March 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets (continued)

Net assets with donor restrictions as of the years ended March 31, 2023 and 2022, are restricted for the purpose of water, sanitation, and hygiene projects in Uganda.

Revenue and Support

TWT recognizes contributions, donations, and grants when an unconditional promise to give is received. Conditional promises to give, with a measurable performance or other barrier and right of return, are not recognized until the conditions on which they depend have been met.

Contributions, donations, and grants received are recorded as net assets with or without donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction.

When a donor restriction expires, that is, when some stipulated time restriction ends or purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying statements of activities and changes in net assets as net assets released from restrictions.

Realized gains and losses from sale of assets are recognized when sales occurred and included in the combined statements of activities and changes in net assets.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying combined statements of activities and changes in net assets and in the combined statements of functional expenses. Expenses are applied directly to the programs where applicable or allocated on a reasonable and consistent basis. A substantial portion of TWT's expenses is directly related to program services. Any shared expenses are allocated based on employees' time and effort.

Income Taxes

The Water Trust, Inc. is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the United States Internal Revenue Code and is recognized as such by the Internal Revenue Service.

The Water Trust Limited was formed as a non-governmental organization under the laws of the Republic of Uganda. Accordingly, it is subject to separate filing and reporting requirements in its country of formation.

THE WATER TRUST, INC.

Combined Statements of Cash Flows March 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes (continued)

The provisions included in accounting principles generally accepted in the United States of America provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's combined financial statements and prescribe a threshold of "more likely than not" for recognition of tax positions taken or expected to be taken in a tax return. TWT performed an evaluation of uncertain tax positions as of March 31, 2023 and 2022, and determined that there were no matters that would require recognition in the combined financial statements or which may have any effect on its tax-exempt status. As of March 31, 2023, the statute of limitations for fiscal years 2020 through 2023 remains open with the U.S. Federal jurisdiction. It is The Water Trust, Inc.'s policy to recognize interest and/or penalties related to uncertain tax positions, if any, in income tax expense.

Liquidity and Availability of Resources

The following reflects TWT's financial assets as of March 31, 2023 and 2022, reduced by amounts not available for general use within one year because of donor-imposed restrictions:

	<u>2023</u>	<u>2022</u>
Cash and cash equivalents	\$ 1,361,460	\$ 557,568
Accounts receivable	182,846	60,000
Financial assets, at year-end	<u>1,544,306</u>	<u>617,568</u>
Less: those unavailable for general expenditures within one year, due to:		
Donor restrictions	629,334	162,491
Financial assets available to meet cash needs for general expenses within one year	<u><u>\$ 914,972</u></u>	<u><u>\$ 455,077</u></u>

TWT regularly monitors liquidity to meet its operating needs and other commitments and obligations while seeking to maximize the investment of its available funds. Management prepares regular cash flow projections to determine liquidity needs and has a policy to maintain liquid financial assets on an ongoing basis sufficient to cover ninety days of general expenditures. Financial assets in excess of daily cash requirements are invested in certificates of deposit, money market funds, and other short-term investments.

THE WATER TRUST, INC.

Combined Statements of Cash Flows March 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Foreign Currency Translation

Assets and liabilities denominated in foreign currencies are translated into U.S. dollars, the reporting currency, at exchange rates in effect at the combining statements of financial position dates, and revenue and expenses are translated at rates which approximate those in effect on the transactions dates. Net transaction and translation gains and losses are included as foreign currency exchange gain or loss in the accompanying combining statements of activities and changes in net assets and combined statements of functional expenses.

Certain amounts have been reclassified from the 2022 presentation to conform with the 2023 presentation. These reclassifications had no effect on the change in net assets.

Subsequent Events

TWT's management evaluated the accompanying combined financial statements for subsequent events and transactions through October 17, 2023, the date these combined financial statements were available for issue and have determined that no material subsequent events have occurred that would affect the information presented in the accompanying combined financial statements or require additional disclosure.

3. FURNITURE AND EQUIPMENT, NET

As of March 31, 2023 and 2022, furniture and equipment consisted of the following:

	<u>2023</u>	<u>2022</u>	<u>Useful Lives</u>
Vehicles	\$ 168,288	\$ 78,588	3 Years
Machinery and equipment	12,716	84,333	5 Years
Website and software	33,794	32,689	3 Years
Computer equipment	29,590	17,145	3 Years
Office equipment	6,488	12,447	5 Years
Office furniture	10,621	4,321	5 Years
Furniture and equipment	261,497	229,523	
Less: accumulated depreciation	125,594	154,151	
Furniture and Equipment, Net	\$ 135,903	\$ 75,372	

Depreciation expense for the years ended March 31, 2023 and 2022, was \$32,805 and \$29,500, respectively.

THE WATER TRUST, INC.

**Combined Statements of Cash Flows
March 31, 2023 and 2022**

4. NOTE PAYABLE – PAYCHECK PROTECTION PROGRAM

During the year ended March 31, 2021, TWT received a Paycheck Protection Program (PPP) note in the amount of \$20,832, which is recorded as a liability in the accompanying combined statement of financial position as of March 31, 2021. The PPP note was received from the U.S. Federal government under the Coronavirus Aid, Relief and Economic Security (CARES) Act passed by Congress. The terms of the note require the proceeds to be spent on eligible expenses, which are primarily payroll related costs. Any portion of the PPP note that is not forgiven must be repaid over two years after a six-month deferral period at an interest rate of 1%. This loan was forgiven during the year ended March 31, 2022 and was recorded as a federal grant on the statement of activities and changes on net assets.
